“ *I made moonshine with him, picked a field of corn and potatoes with him, target practiced with him. And best of all, spent quality time with him. Gonna miss him from this day forward.... R.I.P. Uncle Arlon...*

“ *We were so blessed to have Uncle Arlon in our lives. He was always there for us in good and bad times. We enjoyed the months we had with him after moving back to Alabama from Florida. We will cherish all the great memories we have of him till the day we see him again. We love you, and it's not goodbye, but see you later.*
