*Ledon I know our life will like a roller coaster
It had its ups and downs
But deep down in side you knew there was always a place in heart for
you
I will love you till the end of my life
We will meet again one day soon
I am heartbroken that I can't make it to memorial service but my health
ISN'T good and been in hospital for over a month now
There so much I have to say but it would take a long time
I love you from bottom of my heart
Prayers goes out to family and friends
Save a place for me my sweet friend
RIP Ledon*
