“ *My life long best friend. She had this personality that you couldn't find anywhere else. Nobody was a stranger to her, and if they were it lasted all of 5 minutes. That's how long it took her to take a new friend. She loved everyone she met, and she had a tongue that she couldn't control sometimes, but she just wants/wanted the best for everyone. I'm going to miss brushing your hair, and calling to talk to you on my hard days when everything just seems like it's not going to be okay. You always reassured me that it was just a bad day, and not a bad life. I love you will all my heart. Thank you for teaching me, and helping raise me. I know it wasn't always easy but you made it look effortless. You are now with mamaw Bertha at home, and I know you're at peace. Knowing you're not suffering anymore puts my mind at ease. I will love you forever. Until we meet again. I'll see you at the Golden Gate my baby. -butterfly kisses.-*

She enjoyed me as a friend. Watching movies or just chatting. She was a good listener and never talked bad about anyone. Gonna miss her!
