“ *Praying for the family. Ms. Betty was truly special. I can't recall the number of times I talked to her at Cecil and Maurice's. They had a date night every Saturday night. It was always dinner at Mud Creek and then Rook. I heard so many stories of trips they took together and of the early years of their friendship. Mr. Ollie and Ms. Betty meant so much to my children and I. They were always our first stop on Halloween. She will be missed.*

“ *My thoughts and prayers are with the family! I will Always treasure my Wonderful memories of Ms. Betty. She made such a tremendous impact on my life. I know for sure I will Never forget a trip to Catfish Cabin in Albertville with she and Mt. Ollie! He would not let anyone else drive, even though Ms. Betty tried awfully hard to drive fr om the back seat! FUN!*
