“ *Juanita, Greg, and Steve. So sorry to hear of your loss. Y'all were some of the first folks I met when I moved to Pleasant View. The boys were just small and running around the store. Time sure flies. My condolences and love to all your family. Boys take care of your precious mother.*

*Juanita, Greg and Steven;*

*So sorry to hear of the passing of Bill. He was such a wonderful man, friend and loved many. I remember as a child when staying at my Aunt Ellie Milligan she would say ok you can walk across the street and tell Mr Bill you can have one piece of candy and I will come pay him later. Also after I got a little older and driving my Grandfather Bob Rush would send me to the store at Bills to get some groceries Coke's were on the list the only kind you were to get was a case of 6ounce bottles and I being the kid thought by seeing the sign the larger bottles are of a better value, which I purchased- Bill said Uncle Bob will not have them and he didn't so I had to bring them back and exchange. Thinks that I remember from my childhood. I remember also when the two boys were born you could not have found a prouder father!*

*God's Blessings to each of you!*

*Juanita, Greg, and Steven, we are sorry for the passing of "Uncle" Bill. We have fond memories and stories of Bill. We especially enjoyed the story of him fencing in 40 acres for his rabbit dogs and buying wild rabbits from kids at the store for \$1. He always took time to visit with kids and we loved fishing with Bill and Juanita. As a county agent, he was most gracious to me and the Griffith Farm was always one of the highlights of my stops in the county. His farming knowledge and practices were always on the cutting edge of technology and having two extremely bright boys (now men) sure helped in that regard. Yall are in our prayers and we will always treasure our great memories. May God Bless you and care for you! Dus, Rebecca, Breck, and Morgan*

*PS - Always loved him referring to Morgan and Breck as "those boys" when they were little. It made Morgan want to grow her hair out just so Uncle Bill knew she was a girl.*

*Juanita, Greg and Steven, I have heard many good stories from my dad, Floyd Adams, about growing up with Bill. I know there are some good fishing stories being relived in Heaven. I also remember what a treat it was to come to Bill Griffith's store, when I was a kid. May God bless and comfort all of you.*
