“ *Growing up I looked at Mr Billy and Ms Denise almost like my second parents. Me and Chad would go out and do something dumb whether it be get our vehicle stuck or see how many speakers we could get behind the seats and we would just get that “ told you not to do it” but you was always helpful in anyway and always there to give a roll tide when we need it. You will be missed very much and  
My condolences go out to the Crow family.*
