“ I have so many fond memories of teaching with Carol. We started at Bryant Junior High together along with David Cook and Glenn Jackson in 1974. One thing I remember most about Carol was her sweet smile and sense of humor. There are thousands of students who have gone on to lead successful productive lives because of Carol's influence. Teachers with her heart and commitment are hard to come by, and she will be sorely missed by everyone who had the pleasure of knowing her.

With love,
