“ *Christinia Deno was one of my first friends I made here when I moved to Alabama. I met her when I began working at Crowne Health Care. She watched my girls grow up and my grand children as our family began to grow. No matter how far away from each other or life got busier we always knew each other was a phone call away. There was a group of us ladies that shared many laughs, tears and memories. I will truly miss you my dear friend. My thoughts and prayers to her children and parents as they lay to rest the heart of their family.*
