Glenda Roden - February 27 at 09:22 PM

*We grew up together and I have many fond childhood memories of "Irene" as we called her back then, and her sister Sharon. This is a wonderful family and my deepest condolences to you all during your time of great loss and trying to adjust to life without her. I know she will truly be missed. We can all take comfort in knowing we will see her again one day! God bless all who loved her.*
