“ *"Memaw,*

*You have been in my life since I was 19 years old, and there was never a day that you were not showing your beauty, kindness, and love to everyone that crossed your path especially me. Being a part of your life for the years I was was a true blessing. But God needed another one of His beautiful Angels home. Today you are dancing in the sky with no more pain and suffering. One day I'm going to be dancing with you. Until that day I will hold you in my heart. I love you*
