I don't even know where to begin. I've been cutting your hair for over 18 years. You were just a client but also a friend. My buddy 😊. We shared many great conversations. I'm so glad you finally listened to your heart💖💖💖. Rest in peace buddy. Love you 💖*

“ Despite incredible obstacles, David was an inspiration to all who really knew him. He was a wonderful man, a steadfast friend and a good father who wanted nothing more than to love and care for his children.

While I am sad that he has passed, I take great comfort in the fact that his suffering is now over.

David will truly be missed but he is not gone. He lives on through his daughters who are a living testament to a life well lived.
