“ *My favorite uncle David, how I miss you. How can I just pick one favorite memory when I have so many and I cherish everyone of them equally. I suppose the one I'll share is from the summer of 2013 when I came down with dad and I realized I got the exact same dragon tattoo on my back as the one you have on your leg, completely unintentionally. I love you and miss you so much, I'll see you on the other side.*
