I am very sorry to hear of Elwonda's passing. My deepest condolences to the family. Although not blood kin, she and I shared cousins due to the marriage of our mutual family members; therefore, I always regarded Elwonda as being kin. She was a very special lady and I know she will be greatly missed!

“ Elwonda meant so much to our family, and I have some of my fondest childhood memories with her. From playing Mouse Trap to her to always buying me Sunny D and hanging out with her kitties, my sister and I loved being around her. She always insisted on baking us a pie or cake when we came to visit, and we felt very grateful to be able to enjoy her wonderful cooking. We will all miss her dearly, and her absence will be felt in our hearts daily. But that just shows that great impact she had on all of us, and how lucky we were to know her.

Love you forever, Elwonda. Keeping all that are grieving in my thoughts.
