“ I am so very sorry to hear of the loss of this absolutely wonderful man. I have known Grady for 34+ years and I love Elaine and Grady Suggs, very much. I know one thing for sure: People can look the world over and NEVER find a more caring, kind, and loving man of GOD! I remember back in the early 1980's, when I first had the pleasure of meeting Grady. He loved to pick on me. He would talk about how shy I was and how I would hug everybody there, except him. I can still feel my face blushing, as though it were yesterday. He would just smile and sometimes a little giggle, because he loved to make me blush. It didn't take him long to find out that I am definitely not shy. And I love hugs. I hug everybody. It just takes me a little while longer to warm up to gentlemen, than to other ladies. So, to the Suggs family, in which I consider as my family, I offer you all my deepest condolences. I know you have lost a Great man, husband father and grandfather, but HEAVEN HAS GAINED ANOTHER PRECIOUS ANGEL! So, to each of his loving family and friends, I know GRADY is now resting in the loving and sheltering arms of GOD & he will be waiting, on each of us, on the far side banks of Jordan. I pray for GOD to comfort your hearts and ease your grieving process. You are each and every one, a special friend to me and I love you all, as my family. May GOD continue to Bless you and keep you safe, in all that you choose to do in life. Love you each, always,
Tina Taylor Weathers.

Thank you for your kind words Mrs. Tina. I was just now thinking about him and mamaw, and saw your comment, and it brought back memories of them two together again in paradise. They were my second parents and taught me a lot of what I know. Again, thank you for your kind words, and I'm sorry it took this long to respond.
