“ *Family has always meant so very much to me, and I love all of my aunts, uncles, and cousins almost as much as I do my own parents and siblings! One of my earliest memories as a little girl is of Aunt Jean singing and playing the accordion at Central Church...I think I was just blown away that she could stand up there in front of all those people and sing her heart out! Of course, with Granddaddy Robertson for a dad, I guess it just came natural...I can see him in that same little church, singing and teaching singing school...and sitting at the piano in the living room at home, trying to teach me how to pick out a song and sing. How blessed we have been as a family to have each other! I am so sad that Aunt Jean's funeral is being held right now and I could not be there with my family, but I love you all and you will be in my thoughts and prayers in the difficult days ahead, especially Doug, Jon, and Karen. Love, Suzy Robertson Gilchrist*

“ *She told me that she enjoyed toting me around on her hip when I was a baby. I don't remember that, but I have wonderful memories of a beautiful and fabulous lady. I will miss my Aunt Gene.*
