“ *When I was about 12 years old she was my Sunday School teacher and made plain that I didn't want to go to hell. Never forgot that passion with which she taught God's Word! 10 yrs later I got saved and have lived for God for 42 years. My grandparents picked her up for church when she was 12, took her to church on a horse and buggy, she got saved. I will never forget how God used her, Mom's good friend, to change my eternal destination!!!*
