“ *We are all so sad to hear of the passing of Kate Donaghy. We have so many wonderful memories of her at family functions throughout the years. She became an honorary grandmother to all of the children. She was a warm, kind, and a caring lady that meant so much to so many. I remember fun conversations and kind words from our dear Kate. Kate will missed. May she rest in peace and may her memory be a blessing.*

“ *It was a yearly tradition to see Kate at the Self-Directed Learning Symposim with Her son Bob and his wife Sandra. Kate is a model for Lifelong learning, love for life, and compassion, and she is definitely an example to follow for her family. I am honored to know Kate, who brought to life Bob and supported him in his accomplishments as a fine human being, a scholar, devoted son and husband. Larissa Chuprina, UT alumna*

“ *She was Grandma to our children, as both my husbands and my parents had passed away many years earlier. Getting together for Thanksgiving, to celebrate Aunt Sandy's Birthday she always played games with our four children! In the later years, she loved puzzles everyone worked on the puzzles together. She was a voracious reader. Oh, her pecan and pumpkin pies. Scott loved her banana pudding! We will miss her dearly.*
