“ *Condolences to the family. Leroy was a great man from a great family. I have so many memories of him it's hard to pick out a specific one, although I'll always remember him volunteering to help us build the fire station in Pisgah. His ease and agility walking the roof trusses left me in awe. Proud and privileged to have known and been a cousin of such a man. My mother and Aunt Carolyn share my sorrow and love for you all, God bless.*
