“ Your mom was such a beautiful sole, I waited on her in Walmart, one day she came through with her groceries, she overspent and didn't mean to... I had the pleasure that day to help pay some on her grocery purchase. She said next time I come in I am paying you back. I said no you are not. Well, sure enough her next trip she came to me to pay me back. I said no, I told you I wasn't taking any money... Well it upset her, and I knew I hurt her feelings, and I said don't take my blessing,, she grinned the biggest grin... and gave me a quick hug, and went on her way. I loved when I saw her she always had a smile... and that touched my heart
