“ There are so many stories I could tell about my time with Ms Nanny. Too many to tell. But our thing was the afternoon kiss before I left. I would kiss her forehead and she would kiss my cheek. Followed by an I love you. See you tomorrow. But I can say it was a joy to take care of her. And I became very close to her and her family. They became my family and were very good to me. I love them very much. I'm gonna miss Ms Nanny so much. I love you Ms Nanny. May you Rest In Peace.
