“ So sad to hear of this. I loved Ms. Martha! I have known her since I was a kid. She always made sure Amanda and I had fun when I would stay over at their house. So many memories with her as a substitute teacher. And as an adult, she was someone who listened and helped me make decisions about adult life. Sending much love and prayers to her family. May God wrap his arms around all of you and guide you through these next days.

“ I am in shock. I can't believe this. Martha was a dear friend. She would always share funny stories with me and she always had the teachers backs. I saw her and Frankie at Walmart several months back, but she was doing well. I am sending prayers and hugs for the family. I am so sorry for this tremendous loss. Love to the family.

I have been friends with Martha since I was a teenager. I worked with her at Ider High School from 1991 until I transferred in 2013. I loved to talk to her about anything during my plan time. She was a dear friend!! I have already been missing her every time I visit the school. Rest in peace Martha. I will see you in Heaven. Sending prayers and love to the family.
