“ *I remember the day you were born. I was 8 years old and Diaz was 4. We thought you was our baby. You were Papa's first Grandson and he was so proud of you. I wish he could have lived to see what a fine man you became. I know you're with him now along with your parents, Kyle and Evaline. Oh what a special time you all must be having with Jesus.*

*I've always loved you and was proud to call you nephew.*

*My prayers are going up for your precious family who are left behind. I'm so glad you taught your own girls and grands the way to follow your walk with Christ.*

*I love you Laketa. May God carry you and the kids on angel wings as you walk this road of grief. If you need me I'm here. Meantime I'll be praying. ❤️🙏❤️🙏*
