“ *Aunt Peggy was a beautiful lady. When I would spend the night with my cousins, Daphine and April, Aunt Peggy always made sure we had fun. Some of my best memories were from spending time with her and my cousins. I will cherish those memories forever. Aunt Peggy, you will forever be loved and missed.*

“ Peggy Nell was so good to us after Blake's first surgery. She helped him make through his 11th grade; taking him to the school twice a week to drop off and receive assignments during the first semester then taking him to school for half days and picking him up during his second semester. He was able to maintain his credits and be able to graduate without falling behind.
