“ *Roberta was my grandma. My dad Ken is her 2nd youngest son. Maw Maw will definitely be missed. She was excited to meet her newest great-granddaughter, but sadly passed the day before she was born. I know she is happy in heaven and knowing that, makes her loss hurt just a bit less. I love you Maw Maw*

“ Roberta was my aunt, my Mom Josephine was her older sister. We didn't see much of each other over the years living so far apart. The time we all were in Allen, Kentucky at Mommy Fields house is the one I remember the most. Roberta, Willie, and Uncle Ernest Wallen on the front porch playing guitars. Roberta could sing, and play the guitar with the best of them!!
I am sending all her children my prayers that they will find comfort in the memories of their Mom. Roberta was a very special person, and will be missed.
