“ *We sure will miss you Susie! We had been family for almost 25 yrs and she was always the same Susie no matter how long we hadn't seen one another but we always made sure the other was ok. She would go to basketball games with me and watch the girls play so I didn't have to go alone and we would talk non stop the whole way there and back.. I couldn't have asked for a better friend or sister n law .. We had lots of laughs. She loved the girls to and always gave them something special just about everytime she seen them.. She was always thinking of others and that to me is a special person. You will be missed by many and it's not goodbye its see ya later... You will never be forgotten.. Rest easy sister..*
