“ *When I was much younger, uncle Tommy let me drive his 4-wheeler around their property. Little did he know, I had never been on a 4-wheeler before. As I was cruising along and getting closer and closer to Tommy's mint-condition antique car, I realized that I didn't know where the brake was located. I let off the gas and started to slow down, but I still coasted slowly into the side of the car. I was so embarrassed. My dad was too. Uncle Tommy, however, put his hand on my shoulder and told me not to worry about it. He said it just added character. To me, this story describes uncle Tommy to a T. He had a heart of gold, and in that moment, he knew that I needed to know that everything was going to be okay. I thank God for the opportunity to know uncle Tommy. I loved him dearly, and I can't wait to see him in glory.*

So sorry to hear. Tommy and daddy worked together at the spinning mill in Trenton. We went fishing with Tommy many times. Tommy wasn't only Daddy's friend but was also my friend. Tommy came to visit me in Huntsville a couple of times. I think the last time I saw Tommy was after my middle son and I went to a Boy Scout event near Menton. We stopped on our way home and spent a couple of hours with him. Tommy was the kindest person I have ever known. I know he will be missed by many.

JM

The world has lost another good man, God has gained another faithful angel.

I am sorry for your loss. Words can not do justice for the deeds Tommy accomplished.

God be with you and keep you in his loving embrace.
