“ Wanda was a beautiful person, both inside and out. She was an example to me for her drive and determination. She was never afraid to try something new, even when it was difficult. She will be missed !

“ I know that it is appointed for us all to meet our gracious heavenly Father, but no one expected him to take Wanda so early in her life. I know how much she is loved and will be missed.

Oscar, Jerry, Donna and Jeff, there are no words that can be said that will make the grief any easier. I have told you how jealous I am of how close you all have been all these years. It comes from being raised by two great parents. I miss them dearly. God will see you through this.

Tyler and family, I haven't gotten the chance to know you all like Wanda but I can see that the closeness has carried over to you also.

I will not get to be there with you during this difficult time but just know that you all are in my thoughts and prayers.

I love you all so dearly.
