“ *A special memory of Keith is the day he was baptized. It was a cold afternoon in March. He had talked about wanting to be baptized and had ask my son to baptize him. Where he wanted to be baptized was closed. A member of our church offered for his baptism to be in the creek behind his house. It was getting late in the evening. He was walking home when we went to ask him if he wanted to be baptized that evening. His quick reply was "I've been wanting to for over 3 years. Yes, I do." We took him home, let him get some things and we met several from our church. The water was cold! But Keith was so happy. The sun was pretty setting behind the trees, sparkling off the water. There was an urgency in Keith to be baptized. I am so thankful that it happened! I just wish he had got the book of pictures I made for him. We went to his house a couple of times but either he was gone or did not come to the door. Thank you, God, for letting Keith pass our way.*

“ *Keith was most definitely someone to know. He always had a smile on his face and had something silly to say. It had been awhile since I've talked to him but I have known him through Mike for 30 years 🙄 so many things I could say that only the family would understand ❤️ He will be missed and I am praying so hard for the family as I can't even imagine the devastation. He was absolutely one of a kind no doubt about that!!*
